

LOOKING FOR A NEW WAY TO REACH THOSE WHO ARE DEAF OR HARD OF HEARING?

UNITED METHODIST
Glossary
IN American
Sign Language

EASY-TO-USE,
SHORT VIDEOS

WWW.UMC.ORG/ASL

For more United Methodist Church resources, visit www.umc.org.

Portions of the **official glossary of The United Methodist Church** (www.umc.org/what-we-believe/glossary) are now translated into American Sign Language (ASL) to help local churches communicate with all members.

Easy and short instructional videos will help church leaders learn to sign United Methodist Church terms and definitions — from the Book of Discipline and the Lord's Prayer to John Wesley and other common Christian words and phrases. A partnership of The United Methodist Committee on Deaf and Hard-of-Hearing Ministries (www.umcdhm.org), General Board of Global Ministries (www.umcmmission.org) and United Methodist Communications (www.umcom.org) sponsored and produced these videos.
